Measurements:

Magnet Sheet - 3 1/2" x 5"

DSP1 - 1" x 6" for letters

Directions:

1. Remove back from frame and discard glass piece.
2. Insert cut magnet sheet in frame and replace back.
3. Stamp 6 Alphabest frame stamps in Tuxedo Black.
4. Stamp letters inside frame. **[TIP: the stamp set has several "e" stamps for different languages. I cut off the two dots above one of the "e" stamps to give me more for easy stamping.]**
5. Punch out each letter, lay upside down and place a Mini Glue Dot in the center, top of the punched shape. Lay your twine on top and press into the glue dot.
6. Place "create" on top of the frame and press to adhere.
7. Tie ends of twine in knots.
8. Do a happy dance because your business tool is done!
